Description

Optimize your space with our handy 5-liter collapsible bucket! This bucket is the ideal space-saving solution for your home, campsite, or caravan. Its clever design allows it to be easily folded when not in use, taking up minimal storage space.

Made from high-quality materials, it combines the strength of white polypropylene (PP) for its structure with the flexibility of gray TPE for its collapsible body. This combination guarantees durability and ease of cleaning.

Its 5-liter capacity makes it perfect for a variety of tasks, from washing delicate clothes to mopping the floor.

In addition, its stackable design allows you to store multiple folded buckets on top of each other, further maximizing the available space. It comes packaged in a handy bag for easy transport and storage. An essential accessory for any home!
