Description

Optimize the space in your home with this practical 17-liter collapsible bucket! Ideal for household chores, camping, gardening, and much more. Its clever design allows it to be easily folded when not in use, taking up minimal storage space.

Made with high-quality materials: strong and durable TPE (thermoplastic elastomer) as the main material, and white polypropylene (PP) as the secondary material, ensuring a long lifespan. Its neutral gray color adapts to any environment.

This collapsible bucket has a 17-liter capacity, perfect for a variety of needs. It also includes an ergonomic handle for easy transport, even when full. Its stackable design allows multiple buckets to be stored neatly.

It comes in a practical bag for protection and transport. Don't miss the opportunity to purchase this versatile and functional collapsible bucket!

Main features:

Main color: Gray

Capacity: 17 liters

Secondary color: White

Secondary material: Polypropylene (PP)

Main material: TPE
