Description

The 1" brass hose connector is an essential accessory for connecting irrigation or garden hoses safely and efficiently. Made of strong and durable material, it guarantees a constant flow of water without leaks, ensuring effective irrigation of your plants or crops. Its design makes it easy to connect and disconnect hoses easily, allowing for comfortable and practical handling. With this connector, you can ensure a stable and long-lasting connection, avoiding problems with water loss or accidental disconnections. In addition, its 1" size makes it compatible with most standard hoses on the market, making it a versatile and functional option for your irrigation needs.

Specifications

EAN	8423545125342
Material	Latón
Measures	1
Country of origin	Spain
Thread	1"
