Description

The 3/4" brass tee hhh is a high-quality and durable piece, ideal for your plumbing projects. Made of brass, with a 3/4" size, it guarantees durability and efficiency in its use. Its brass material ensures a long service life and corrosion resistance, making it a reliable option for drinking water installations. In addition, its "Tee hhh" type design makes it easy to connect pipes at 90-degree angles, allowing for a precise and secure installation. Don't risk it with low-quality parts, ensure the integrity of your projects with the 3/4" brass tee hhh.

Material: Brass

Type: Te hhh
