Description

The 1" brass tee hhh is a high-quality, heavy-duty fitting, ideal for a variety of applications. Made of brass, it guarantees durability and efficiency. Measuring 1 inch, this fitting is perfect for installations requiring a high-strength, durable component. Its advanced design and premium materials ensure optimal performance and a long service life. Additionally, its brass construction gives it excellent resistance to corrosion and harsh environmental conditions, making it a reliable and durable option for any project. The 1" brass tee hhh is the perfect choice for those looking for a high-quality, high-performance fitting.

Specifications

EAN	8423545095102
Material	Latón
Measures	1
Country of origin	Spain
Thread	1"
