Description

The 1/2" hhh Tee is made of brass, a strong and durable material. With a 1/2" size, this fitting is perfect for connecting pipes safely and efficiently. Its T-shaped design facilitates the distribution of liquid flow in plumbing installations. The brass material guarantees high resistance to corrosion and pressure, making it a reliable and durable option for piping systems. In addition, its standard 1/2" size makes it compatible with a wide range of pipes and accessories. The hhh Tee is a versatile and quality solution for your plumbing needs.

Specifications

EAN	8423545140185
Material	Latón
Measures	1/2
Country of origin	Spain
