Description

The 3/8" Brass Sleeve is a strong and durable fitting for pipe connections. Made of high-quality brass, with a 3/8" size and a sleeve design that guarantees a secure and reliable joint in plumbing installations. Its brass material ensures corrosion resistance and a long service life, making it ideal for both domestic and industrial applications. This sleeve is easy to install and provides a watertight connection, preventing leaks and ensuring a constant water flow. With its standard 3/8" size, it is compatible with a wide range of pipes and accessories. A reliable and efficient option for your plumbing needs.
