Description

The single-lever under-window kitchen faucet is the perfect solution for small spaces. With a brass body and zinc handle, this chrome-plated faucet features a ceramic cartridge and a water-saving system, ensuring efficient and long-lasting use. Its 40 cm spout length makes it ideal for placing under a window, maximizing the available space. Plus, its sleek, modern design fits in with any kitchen style. With an applicable water pressure of 0.3 MPa, this faucet delivers optimal performance at all times. Suitable for any type of kitchen, the single-lever under-window faucet is the ideal choice for those looking for functionality and style in a single product.
