Description

The 3/8" brass blanking plug is a high-quality and durable fitting. Made of brass, it guarantees corrosion resistance and a long service life. Its design allows for a secure and airtight closure of pipe connections or plumbing systems, preventing leaks and ensuring optimal operation. With a standard 3/8" size, it adapts to different types of pipes and connections. This blanking plug is ideal for applications where a perfect and reliable seal is required. Its robust construction and high-quality finish make it a reliable choice for residential, commercial, and industrial plumbing projects.
