Description

The 1/2" x 3/8" MH hex reducer made of brass is ideal for pipe connections in plumbing systems. Its strong and durable design guarantees a precise and secure fit, ensuring efficient water flow. This piece is perfect for domestic or commercial applications, thanks to its high quality and reliability. The brass material provides excellent resistance to corrosion and high temperatures, ensuring a long product life. In addition, its hexagonal design facilitates installation and maintenance, allowing a secure and leak-free connection. With this reducer, you can optimize your plumbing systems effectively and durably.

Material: Brass

Type: Hex reducer M - F

Dimensions: 1/2" x 3/8"

Specifications

EAN	8423545121634
Material	Latón
Measures	1 / 2" x 3 / 8"
Country of origin	Spain
Depth	1/2x3/8
Thread	1/2"

may contain errors or omissions and does not replace the manufacturer datasheet.
