Description

The 160 mm Ergo diagonal cutters are the perfect tool for precision cutting. Their self-opening, dual-component handle and nickel-plated chrome finish ensure durability and comfort. The ergonomic design of these pliers allows you to perform work easily and precisely, preventing hand fatigue during prolonged use. Measuring 160 mm, they are ideal for detailed work requiring clean, precise cuts. The Ergo model offers a firm, secure grip, allowing total control over the cut. Get the Ergo diagonal cutters and improve the quality of your DIY or repair work!
