Description

The 25mm Dual-Function Cutter is a professional cutter with extra sharpness and optimal ergonomics for both left- and right-handed users. Its robust metal casing guarantees durability. It features an auto-lock and safety feature and contains a pro-sharp blade for precise cutting. This cutter offers the versatility of being able to be used with both hands, providing comfort and efficiency in its use. Measuring 25 mm, it is ideal for jobs that require precision and accuracy in cutting. Its ergonomic design allows for a comfortable and secure grip, avoiding hand fatigue during long work sessions. In addition, its pro-sharp blade guarantees a clean and precise cut at all times, making it an indispensable tool for demanding professionals.
