Description

The 750ml Satin Granite Grey water-based tile paint is perfect for renovating interior walls in kitchens and bathrooms. With a highly durable finish, this paint is resistant to cleaning products and does not emit unpleasant odors. Its 2-in-1 primer and finish formula ensures fast drying in just 1-1.5 hours, allowing for efficient and quick application.

In addition, this paint offers a coverage of approximately 7.5 m² per container, making it an economical and long-lasting option. Its granite grey color adds a modern and elegant touch to any space, while its non-yellowing and durability make it ideal for areas with high humidity. Not suitable for immersion or areas with constant condensation.
