Description

The 750ml Satin Gray water-based tile paint is the perfect solution for renovating your spaces without any building work. With a soft-touch finish and great durability, this paint is easy to apply and dries quickly. Ideal for kitchens and bathrooms, this paint is resistant to cleaning and won't yellow over time. It also doesn't emit unpleasant odors and is perfect for indoor use. However, it's important to note that it's not suitable for immersion or for areas with constant condensation. With a drying time of 1 to 1.5 hours, you can enjoy a new look for your tiles quickly and easily.
