Description

Renew your tiles with Ocean Blue Satin Water-Based Tile Paint 750 ml. This product offers a hard-wearing satin finish, ideal for kitchens and bathrooms. Its easy application, odorlessness, and quick drying make it an excellent option for giving your tiles a new look. With a coverage of approximately 7.5 m², you can cover a large surface area with a single container. In addition, this paint has advanced features such as non-yellowing, 2-in-1 primer and finish, and a drying time of 1 to 1.5 hours. However, it is important to note that it is not suitable for immersion or for areas with constant condensation. Renew your spaces with this high-quality, durable paint.
