Description

This 10,000 lm long-range LED flashlight is the ideal accessory for outdoor activities. Made of durable aluminum with IP44 certification, it guarantees durability and resistance to water splashes. With different lighting modes, a long-lasting battery, and a power bank function, this flashlight is versatile and practical. It includes accessories such as a clip, a strap, and a USB-C cable for added convenience. With a battery life of up to 50 hours and a superior light output of 8 x 15 W and 6500 K, this flashlight guarantees powerful and long-lasting lighting. In addition, its compact design of 55 x 32 x 132 mm and its 1/4" tripod thread make it easy to transport and use in different situations.
