Description

The 2000 Im Foldable Tripod Work Light is the perfect tool for illuminating your projects. With a light temperature of 6,000 K and a brightness of 2,000 lm, it guarantees powerful and clear lighting. It also has an IP65 protection rating, making it dust and water resistant.

Its 3 light modes (low, high, and flash) allow you to adapt the light intensity to each situation, while its power bank function lets you charge your devices at any time. With a 3.7 V, 4400 mAh battery, it offers a long service life. Its foldable design, magnetic base, and 180° hinge make it versatile and easy to transport. Don't miss out on the Foldable Tripod Work Light to effectively illuminate your tasks!
