Description

The graphite-colored 4-socket 2P+E Schuko power strip is a high-quality product with a maximum power of 3680 W and an IP20 protection rating. Made of Ion series polycarbonate, this power strip features easy-access terminal blocks, a quick-release cover, wall-mounting holes, and rubber cable glands. Its elegant and functional design makes it an excellent choice for homes or offices that need to connect multiple devices safely and efficiently. With a voltage of 16A 250V~, this power strip includes 4 2P+E Schuko sockets and an input for different types of cables. It also comes with a rubber cable gland and a mini-channel cover for greater convenience and versatility.

Specifications

Rated current (A)	16
Colour	Grafito
EAN	8423220271517
Material	Policarbonato
Country of origin	Spain
Nominal voltage (V)	250V
