Description

The 16 mm diameter gray coupling is a high-quality fitting designed to securely and permanently join rigid pipes in plumbing or electrical installation work. With a pack of 10, this product offers a convenient and economical solution for your projects. Its discreet gray color makes it easy to combine with any type of pipe, providing a professional finish. Made from durable materials, this coupling guarantees a firm and durable joint, preventing leaks or problems in the future. With a diameter of 16 mm, it is ideal for pipes of this size, ensuring a perfect and hassle-free fit. Don't risk with low-quality fittings; choose this 16 mm diameter gray coupling for impeccable results.
