Description

The Simon 27 series white wide push button is a high-quality device with a quick-connect system, ideal for controlling your home's lighting. Measuring 45 x 45 mm, this neutral push button is versatile and safe, with an elegant design that fits into any environment. Its white color gives it a modern, clean look, while its Simon 27 model guarantees durability and reliability. This push button features an advanced quick-connect system that makes installation easy, saving you time and effort. In addition, its wide button makes it easy to use, especially for people with reduced mobility. With the Simon 27 series white wide push button, you will have precise and safe control of your home's lighting.

Color: White
