Description

The 19mm x 5m double-sided mirror mounting tape is the perfect solution for securely and permanently fixing mirrors weighing up to 5kg. With maximum strength, this tape is ideal for specific applications such as installing mirrors on any surface, guaranteeing a professional, high-quality result. Its double-sided design allows for firm and long-lasting adhesion, preventing the mirror from peeling off over time. In addition, its 19mm x 5m size provides the right amount of tape to cover the necessary surface. With this double-sided tape, you can install your mirrors quickly and easily, without the need for additional tools. Take advantage of its benefits and enjoy a flawless installation!

Type: Double-sided tape

Size: 19mm x 5m

Weight: Max 5kg

Application: For mirrors

Specifications

High	500
Width	1,9
EAN	4046719732302
