Description

Herbitex 25ml selective herbicide is the perfect solution for controlling annual and perennial broadleaf weeds in gardens. Its formula is quickly absorbed by the leaves of unwanted plants and spreads to other parts, ensuring effective and long-lasting elimination. With this product, you can keep your lawn spotless and free of unwanted weeds without harming the grass plants. Its 25ml container makes it practical and easy to apply, allowing you to treat specific areas with precision. Herbitex is the ideal choice for keeping your garden in optimal condition, thanks to its effectiveness and selectivity in weed control.

Type: Herbicides
Capacity: 25ml
Application: Garden weeds
