Description

The 25 + 25 ml Duopack total systemic herbicide is a highly effective phytosanitary mixture for the control of annual and perennial broadleaf weeds, as well as for the control of annual and perennial grasses in post-emergence. Its unique formula allows rapid and total absorption by the roots of unwanted plants, ensuring effective and long-lasting action. This product is ideal for keeping crops, gardens, and green areas clean and healthy, without harming the desired plants. Its presentation in a 25 + 25 ml duopack makes it easy to apply and dose, ensuring precise and efficient use. With the Duopack total systemic herbicide, you can keep your spaces free of weeds simply and effectively.
