Description

The 3m Side Windbreak is an ideal accessory for gardens or balconies, designed to protect from the wind and create privacy. Its aluminum frame and water-repellent polyester fabric ensure durability and weather resistance. Featuring a wall-mounted cassette that features a spring-loaded system for automatic roll-up, this windbreak is practical and easy to use. Measuring 3 x 1.4m, it's perfect for comfortable outdoor enjoyment. Plus, its roll-up design makes it versatile and easy to store when not in use. Enjoy your outdoor spaces without worrying about the wind or lack of privacy with this high-quality side windbreak.
