Description

The Sparco Ndis Soft-Shell Tech Jacket, Size M, GSGF 02412GSGF2M, is a high-quality product made of polyester and spandex fabric, giving it waterproofing and high elasticity. Its adjustable and removable hood, along with watertight zippered pockets, provide comfort and functionality. It also features anti-abrasion reinforcements on the shoulders and elbows for added durability. It incorporates reflective elements and a reflective logo that increase visibility in low-light conditions, ensuring user safety. With Ndis Soft-Shell Tech technology, this jacket offers advanced performance and optimal protection from the elements. Ideal for outdoor activities or adventure sports, this jacket is a reliable and versatile choice for any nature enthusiast.
