Description

The 200 x 150 mm white plm02 plus set square is a heavy-duty accessory that supports up to 30 kg of load. With a white design and plus shape, it is ideal for DIY and carpentry projects that require precision and durability. Its 200 x 150 mm size makes it perfect for detailed work, while its load capacity makes it a reliable tool for various tasks. The plm02 model guarantees quality and resistance, ensuring prolonged use without deterioration. In addition, its plus shape makes it easy to measure and draw angles accurately. This set square is perfect for professionals and amateurs looking for a high-quality accessory for their construction and remodeling projects.
