**Start cylinder str3030 brass
30x30mm 715500 ifam**

Brand: IFAM

Reference: EDM 88774

The Start STR3030 brass cylinder, 30x30mm, 715500 ifam, is a European-profile security cylinder with six steel pins. Made of extruded brass, it includes five nickel-plated steel keys and is supplied in a box with a Euro-hanger. It weighs 0.248 kg and measures 6.36x1.68x3.27 cm.

[View product online](#)**Description**

The Start STR3030 brass cylinder, 30x30mm (715500) by IFAM, is a European profile security cylinder with 6 steel pins, guaranteeing a high level of protection. Made of extruded brass, this cylinder includes 5 nickel-plated steel keys for greater durability and wear resistance. Its compact design and light weight of 0.248 kg make it easy to install and transport.

With dimensions of 6.36x1.68x3.27 cm, this cylinder offers a high-quality brass finish, ensuring a long life and corrosion resistance. In addition, its Europrofile security system and the included security keys provide additional protection against unauthorized tampering attempts. Ideal for residential and commercial applications requiring a high level of security.

Specifications

High	3,27
Width	6,36
EAN	8420078533453
Material	Latón
Measures	6,36x1,68x3,27
Country of origin	Spain
Depth	1,68
