Description

The black S5 SRC charcoal safety boot in size 38 is ideal for jobs requiring protection. With a steel toe cap, ankle protection, and a non-slip PVC anti-perforation insole, this boot complies with UNE-EN ISO 20345:2011, ensuring safety and comfort at all times. Its high-top design provides greater protection and stability to the wearer, while its black color gives it a professional and discreet look. Its slip resistance makes it perfect for demanding work environments. With these advanced features, the black S5 SRC charcoal safety boot in size 38 becomes a reliable and durable option for those seeking protection and comfort during their workday.
