Description

These black size 40 safety boots with steel toe caps and ankle protection are ideal for jobs requiring maximum protection and comfort. Made of non-slip PVC, they comply with EN ISO 20345:2011, ensuring the safety of your feet at all times. Their high-top design provides added protection in the ankle area, while the anti-puncture insole provides an extra layer of safety. These wellies are tough and durable, perfect for demanding work environments. With a classic black color, they'll match any work uniform. Don't compromise on your safety at work; choose these high-quality safety boots.
