Description

The black S5 SRC charcoal safety boot, size 42, is ideal protective footwear for jobs requiring maximum safety. With a steel toe cap, ankle protection, and an anti-perforation insole, this boot complies with UNE-EN ISO 20345:2011. Made of non-slip PVC, it guarantees excellent strength and durability. Its high-top design provides greater protection and stability in the ankle area. In addition, its black color gives it a professional and discreet look. With these boots, your feet will be protected at all times, allowing you to perform your tasks with complete safety and confidence. Ensure your well-being at work with this high-quality safety boot.
