Description

The Matel IP65 round 7W CCT white fixed LED ring light is an efficient and versatile option for illuminating any space. With a power of 7W and a brightness of 840Lm, this ring light features a CCT temperature selector that allows you to choose between cool, neutral, or warm light. Its instant electronic ignition and internal driver guarantee optimal performance and 90% energy savings. With an E rating, this LED ring light has a lifespan of up to 30,000 hours and comes with a two-year warranty. Its IP65 design makes it suitable for humid areas, and its white or nickel finish makes it adaptable to any decor style. With a 120° beam angle and a 90mm diameter, this LED ring light is a durable and efficient option for illuminating any space.
