### Description

The Matel S19 7W LED soffit is an efficient and versatile option for lighting any space. With a selectable CCT light temperature between cool, neutral, and warm, this soffit offers 600 lumens of brightness and a 300° beam angle for wide, even illumination. Its instant electronic ignition and 90% energy savings make it an economical and sustainable option. With a lifespan of up to 30,000 hours and a two-year warranty, this LED soffit guarantees long-lasting and reliable performance. Its aluminum and PC body, along with its tinted cover, ensure superior quality and durability. Direct connection to 230V and energy classification F, this LED soffit is the ideal choice for any lighting application.

### Specifications

|                       |                         |
|-----------------------|-------------------------|
| Timer                 | No                      |
| Frequency             | 50, 60                  |
| Width                 | 3,8cm                   |
| Opening angle         | 360                     |
| Cap                   | S19                     |
| Energy classification | F                       |
| Colour                | Matt white              |
| Cri (Ra)              | 80                      |
| Diameter              | 3,8cm                   |
| EAN                   | 8425160284046           |
| Turned on (ON/OFF)    | 100000                  |
| Long                  | 31cm                    |
| Remote control        | No                      |
| Material              | Aluminio, Policarbonato |

|                     |             |
|---------------------|-------------|
| Measures            | Ø3,8x31cm   |
| Weight (kg)         | 0,105       |
| Depth               | 3,8cm       |
| Protection          | IP20        |
| Adjustable          | Yes         |
| Nominal voltage (V) | 230V        |
| Type of lamp        | Sofito, LED |
| Colour temperature  | 6500K       |
| Estimated life (h)  | 30000       |
| Light power (W)     | 7           |
