Description

The STEIN Hand Pump with a 38cm Fitting is an essential accessory for any cyclist. Made of durable ABS, this pump is lightweight and compact, making it easy to transport. Its push-pull air delivery system and ergonomic handle make it easy to inflate road, MTB, BMX, and children's bike tires, among others. Plus, its 12cm flexible fitting allows for convenient, leak-free tire inflation, adapting to both Schrader and Presta valves. It includes an adapter for inflating balls, making it a versatile accessory. Presented in a color box and featuring a durable, long-lasting design, the STEIN Hand Pump is the perfect choice for keeping your tires inflated and ready to roll.
