Description

The KÜKEN 2000W Flat Digital Induction Hob is a high-power appliance with a power selector that ranges from 400W to 2000W, allowing it to adapt to different cooking needs. Its digital touchscreen makes it easy to use, while automatic pot or pan detection ensures even heat distribution. With an extra-flat design and dimensions of 35cm x 28cm, this induction hob is easy to clean and store. It also features a timer and automatic shut-off for added safety. Its non-slip base and ON/OFF button make it simple and safe to use. With a large heating surface and the ability to adapt to different pot or pan diameters, this induction hob is ideal for efficient and safe cooking.

Specifications
