Description

The KÜKEN 2000W Multifunction Digital Induction Hob is a high-tech appliance that offers a maximum power of 2000W and a multifunction control panel with an LCD display. With 8 pre-set cooking programs, automatic pot or pan detection, automatic shut-off, and an auto-lock function, this induction hob guarantees safe and efficient cooking. It also features a temperature regulator, timer, and non-slip base for added convenience and safety. Its flat design and large heating surface make it ideal for different pot or pan sizes. Easy to clean and store, this induction hob is an excellent choice for quick and precise cooking.
