Description

The VATTON 850W hammer drill is a powerful and versatile tool, ideal for drilling in wood, metal, and concrete. With a high-performance brushed motor and adjustable speeds of up to 3,000 RPM, this drill guarantees optimal performance for any task. Its 13mm self-locking chuck allows for quick bit changes, while its hammer mode facilitates drilling in hard materials. It also features an ergonomic design that ensures a comfortable and secure grip, as well as a multi-position auxiliary handle and depth gauge for greater precision. With the VATTON hammer drill, you can complete your DIY and construction projects efficiently and professionally.
