Description

The 23cm Manual Bike Pump is an essential accessory for any cyclist. Made of durable ABS, this pump is lightweight and compact, making it easy to carry and store. Its push-pull air delivery system and ergonomic handle make tire inflation easy. It also fits Schrader and Presta valves without leaks, thanks to its valve stem locking system. With an inflation valve guard, this pump is suitable for all types of bikes, from road to MTB and BMX. Its portable design and compatibility with different valves make it a versatile and efficient tool for keeping your tires inflated at all times.
