Description

The 135g braided microfiber mop is an innovative product that combines absorption, lightness, and efficiency. Made of polyester, it offers up to 30% more absorption, 30% more volume, and 30% less weight than traditional mops, allowing for faster and more convenient cleaning of large surfaces. Its high drying capacity guarantees an impeccable shine on all types of floors, while its braided structure retains dirt and prevents particle dispersion. With a universal thread, it is ideal for homes, offices, and high-traffic spaces, ensuring deep and effective cleaning that prolongs the life of your floors thanks to its soft microfiber. Get this quality mop and enjoy a spotless home!
