Description

The Adjustable Face Shield with Safety Visor and 39x20cm Polycarbonate Screen is essential protective equipment for brush cutting, pruning, chainsaw work, gardening, and other activities where small debris may be present. Featuring a 390x200mm, CE-approved, impact-resistant, transparent polycarbonate screen, it guarantees optimal facial protection. Its interchangeable, height- and diameter-adjustable visor allows it to fit different head sizes, providing comfort and safety for the wearer. Made of durable materials and yellow for increased visibility, this face shield is also known as a safety visor, impact visor, brush cutter helmet, or impact helmet. Protect your face with this high-quality, durable equipment.
