Description

The Trapezoid Folding Cutter is a versatile and safe tool for making precise cuts in a wide variety of materials. Measuring 3x15 cm open and 4x9 cm closed, this cutter features a strong and durable carbon steel blade. Its safety system prevents accidental blade removal, requiring the user to press and hold the button simultaneously to release the lock. Its ergonomic design fits comfortably in the hand, making it easy to use in a variety of applications such as cutting paper, cardboard, crafts, opening packages or cardboard boxes, cutting carpets and upholstery, among others. Also known as blades, cutters, cutter blade, folding knife, this cutter is an indispensable tool for professionals and amateurs seeking precision and safety in their cutting work.
