90° elbow female thread polypropylene 3/4"

Brand: PLASSON

Reference: EDM 27041

90° elbow with female thread made of 3/4" polypropylene. Ideal for pipe installations in water, gas, or other fluid systems. Strong, durable, and easy to install, ensuring optimal performance in industrial, commercial, or residential applications. Its design allows pipes to be joined at right angles safely and efficiently, ensuring a tight, leak-free connection. An essential component for high-quality plumbing and plumbing systems.

Description

The 3/4" female polypropylene 90° elbow is a fundamental piece in plumbing installations and piping systems. Its design allows for safe and efficient right-angle connections.

- Material: Polypropylene
- Type: 90° elbow with female thread
- Dimensions: 3/4"

Specifications

High	14,5
Width	5
EAN	7296173373635
Manufacturer	PLASSON
Material	Polypropylene
Weight (kg)	0,2
Depth	5
Thread	3/4"
