Description

The "E" Elastic Weatherstrip, 6 meters long and 9 mm wide in brown, is the perfect solution for ensuring an efficient seal on your windows. This "E" shaped draught excluder offers several key technical features that make it ideal for improving the insulation in your home:

- 6 meters long and 9 mm wide.
- Comes in two strips of 3 meters each for easy installation.
- Openings ranging from 2 mm to 3.5 mm, perfect for casement and projecting windows.
- Helps reduce heat leakage to the outside, creating a more comfortable and energy-efficient environment.
- Improves thermal insulation and reduces annoying noise and knocks, creating a quiet environment in your home.
- Protects against wind, dust and other unwanted elements, keeping your home clean and safe.

This elastic draught excluder is also known as door draught excluder, window draught excluder, door seal, rubber draught excluder, door sealing strip, among others. With the 6-meter x 9-mm "E" Elastic Weatherstrip, you can enjoy a more comfortable, quiet, and safe home.
