Emuca SupraMax pull-out bottle rack with soft close, left side, 3 shelves, 200mm module, Steel, Chrome

Brand: EMUCA

Reference: EMUCA 8381311

- The SupraMax pull-out bottle rack features three storage levels and three dividers in the lower basket, allowing you to organize bottles efficiently. It's the ideal solution for optimizing space in lower kitchen units, especially in small spaces.
- Compatible with units with a minimum internal width of 162 mm, a minimum depth of 460 mm, and a height of 800 mm. It has a load capacity of up to 30 kg.
- Mounting is done on the left side of the unit using two roller guides with full extension and soft-close. Compatible with 16, 18, and 19 mm boards.
- It has full door adjustment; ± 2.5 mm on the sides, ± 2.25 mm in depth, and up to 13 mm in height. The glide is smooth and quiet, ideal for everyday use.
- Made of chrome-plated steel rod with gray plastic spacers.

Description

Designed for **800 mm high modules**, the **SupraMax pull-out bottle rack** is the perfect solution for optimizing storage in lower kitchen modules, especially in small spaces. Designed to **efficiently organize bottles**, this model allows you to make the most of the auxiliary spaces in your kitchen furniture. Thanks to its **pull-out design**, it offers **easy and convenient access** to the contents of its baskets, being an ideal option for keeping your kitchen tidy.

Made of **steel rod**, the SupraMax bottle rack has a **robust and durable structure**. It is installed on

the **left side** of the kitchen furniture and is compatible with **16, 18 and 19 mm board modules**. It includes **three storage levels**, with **concealed full-extension soft-close runners**, ensuring **quiet, smooth gliding**. Its **load capacity of up to 30 kg** ensures optimal performance in daily use, while its three dividers for the lower basket allow for flexible organization.

The set includes the **bottle rack, full-extension runners**, mounting screws and the three dividers, facilitating **easy and quick installation**.
