Description

The **Emuca Supra pull-out trolley** is the perfect solution for optimizing space and improving the functionality of base kitchen units. Thanks to its innovative design, it allows for quick and easy installation, providing full access to the furniture's contents. Its **three large baskets** are designed to make the most of the available space, helping to maintain order and organization inside the unit.

It incorporates **fully extendable, soft-close roller guides**, which ensure smooth operation even with heavy loads. The **adjustable adjustment** allows it to adapt to different kitchen configurations, guaranteeing perfect integration into any design.

This system not only optimizes space, but also improves accessibility and order, becoming an essential

element in the kitchen.
