### Description

The Kinno E27 25W outdoor wall light is an excellent option for lighting your garden, terrace or entrance in an elegant and functional way. With a lantern-style design and downward light, this wall light adds a modern and sophisticated touch to any outdoor space. Key technical characteristics:

- Bulb type: E27
- Power: 25W
- Voltage: 220-240V ~ 50/60Hz
- Protection index: IP44
- Color: Black
- Dimensions: 21 x 17 x 25 cm

The Kinno outdoor wall light is weather resistant thanks to its IP44 protection rating, making it ideal for outdoor use without worrying about inclement weather. Plus, since the bulb is not included, you have the freedom to choose the one that best suits your needs and preferences in terms of light intensity and tone. Measuring 21 x 17 x 25 cm, this wall light is the perfect size to stand out in your outdoor space without taking up too much space. Its black color gives it an elegant and discreet look that will easily integrate into any decor. In short, the Kinno E27 25W outdoor wall light is a versatile and high-quality option for illuminating and decorating your outdoor spaces with style and functionality.
