Double Brass Plug 3/4 7725

Brand: ALM

Reference: ALM 3236.0732

With a robust and efficient design, this 3/4" double brass fitting is ideal for plumbing connections. Its construction guarantees high corrosion resistance, ensuring durability and optimal performance in a variety of applications. Its polished finish contributes to an aesthetic integration into plumbing systems.

Description

The 7725 3/4" Brass Double Nipple is a robust and efficient solution for connecting pipes in plumbing and heating systems. Made of high-quality brass, this component guarantees excellent corrosion resistance and long-lasting durability, making it a reliable choice for a variety of applications. Its design allows for simple and secure installation, ensuring optimal performance every time.

- Material: High-strength brass, providing durability and corrosion resistance.
- Dimensions: 3/4 inch connection, suitable for standard size pipes.
- Type: Double male, allows the efficient connection of two sections of pipe.
- Maximum pressure: Withstands high pressures, ideal for heating and drinking water systems.
- Installation: Easy to install, compatible with standard threaded unions.
- Use: Suitable for applications in plumbing and heating systems, guaranteeing a secure seal.

Specifications

EAN	8435136704010
Manufacturer	ALM
