Double Brass Plug 3/8 7721

Brand: ALM

Reference: ALM 3236.0730

With a robust and functional design, this brass fitting is ideal for plumbing and hydraulic connection applications. Its construction ensures durability and corrosion resistance, facilitating a secure and efficient seal in a variety of installations. Its compact size allows for easy integration into existing systems.

Description

The 3/8" 7721 Double Brass Nipple is a plumbing component designed to provide a reliable and durable connection to plumbing systems. Made of high-quality brass, this nipple is corrosion-resistant and durable, making it a versatile choice for a variety of plumbing applications.

- Material: High-quality brass, ensuring strength and durability.
- Diameter: 3/8", suitable for a variety of plumbing connections.
- Design: Double nipple allows two sections of pipe to be joined efficiently.
- Maximum Pressure: Capable of withstanding high pressure, ensuring optimal performance under varying conditions.
- Finish: Polished surface enhances aesthetics and makes cleaning easier.
- Compatibility: Designed for use with standard plumbing connections.

Specifications

EAN	8435136703990
Manufacturer	ALM
