Description

The Black & Decker BEG010-QS deburrer is a power tool designed to deliver effective performance in deburring and cutting jobs. With a 710W motor and a 115mm disc, this mini grinder is suitable for a variety of applications on metal and other materials, guaranteeing precise and quality results.

- Power: 710W
- Disc size: 115mm
- Maximum speed: 12,000 rpm
- Spindle thread: M14
- Anti-restart protection system for greater safety
- Soft start allowing optimal control when starting the tool
- 2-position adjustable side handle for greater comfort and control

This model is designed to facilitate continuous and prolonged use, thanks to its robust and ergonomic construction. The two-position side handle allows for adapting to different working styles and user preferences, ensuring effective and safe handling at all times.
