Description

The Bellota Medium Round File with Interfine Handle 8 is a tool designed to offer optimal performance in machining and finishing work. Made of high-quality carbon steel, this file has been tempered to ensure durability and wear resistance, making it a reliable choice for professionals in the sector.

- Material: High-quality carbon steel.
- Treatment: Tempered for greater resistance.
- Type: Medium round file, suitable for roughing and finishing work.
- Grit: Interfine, ideal for obtaining smooth surfaces without sacrificing efficiency during roughing.
- Handle: Ergonomic design that provides a comfortable and secure grip during use.
- Applications: Used in machining, adjustment, and finishing of metal parts.
