Description

The PalmEra 225mm Tailor's Scissors are designed to provide precise and efficient cutting for sewing and dressmaking. Their high-quality construction ensures durability and performance in everyday use, making them a reliable choice for professionals and textile design enthusiasts.

- Overall Length: 225 mm
- Blade made of carbon steel, providing wear resistance and a long lifespan
- Hot forged, ensuring greater hardness and cutting capacity
- Long, straight blade, designed to provide a clean cut along its entire length
- Screw assembly allows cutting accuracy to be readjusted as needed
- Plastic-coated handles, improving grip and providing comfort during extended use
